

Dear Parents -

On Thursday, September 15, the students in Sequoia will be participating in a Core Day at Keiser Park. We will be walking to the park after school begins and returning to class prior to the end of 7B to allow students who have an eighth class to arrive on time. The purpose of the trip is to allow for core bonding within the classes as well as between the two class rotations.

It is understood that students will hold themselves to the highest standards while off campus. All school rules will be followed during any school field trip.

If you would **not** like your student to participate in the field trip, please sign below and have your child return the form to Mrs. Allison or Mrs. Turner. Please contact us if you have any questions.

Sincerely,

Jessica Allison
